What?

- Set out planning policies for the local area.
- Help guide development and growth.

Why?

- Identify objectives supported by the community.
- Policies specific to us – character, heritage and identity.
- Proposals to develop and enhance key areas.
- Ability to robustly object to inappropriate development.
- Bring forward housing that meets local need.
- Enhance green spaces.
- Used to help determine the outcome of planning applications.

When?

The Steering Group will meet at pre-arranged times to drive the project forwards.

We would like to hear from any residents that would like to get involved as either a member of the proposed Steering Group or to help develop plans and engage with your neighbours.

Farningham Parish Council

Building a Stronger Community, Shaping Our Future Together

Farningham Parish Council is currently working with Eynsford Parish Council to develop a Neighbourhood Plan which includes a community-led vision of how residents would like to see the villages and surrounding area evolve into the future. A joint Neighbourhood Plan will allow both villages to reflect their similarities in terms of village character and connections to the River Darent.

A Neighbourhood Plan is a positive planning document with policies and guidance set out in our area for the next 15 to 20 years, which will respond to the aspirations and ambitions of residents. The Plan will have equal weight to the emerging Local Plan for Sevenoaks District on issues such as housing, the built and natural environment, community facilities, and our local economy.
